

Cyber Chip Helpful Pointers

REQUIREMENTS

Grades 6-8 and Grades 9-12 go to the following page and click your grade group and do each step (these are the requirements for your age group):

<http://www.netsmartz.org/scouting>

CyberChip Requirement #3 (Grades 6-8) or #4 (Grades 9-12). I would like to suggest that the entire MB group put together a skit that will be presented to the troop at a future scout meeting. Since we have folks from both middle and high schools we will combine these requirements.

We need a leader or two to take charge of putting together a skit (which I will review first) and to put on the skit at a meeting. The skit should include the EDGE method and must include everything in "The Scout Law and Cybersafety/Cyberbullying" signature document (see below).

If everyone will be present at the next campout, the skit can be done there but will probably be in addition to any patrol skit.

INTERNET SAFETY PLEDGE (The Scout Law and Cybersafety/Cyberbullying)

Read, understand and sign this document:

http://www.scouting.org/filestore/youthprotection/pdf/100-055_WB.pdf

The Actual Cyber Chip looks like this:

<http://www.scouting.org/filestore/youthprotection/pdf/100-053.pdf>

NetSmartz Recharge area

Not sure where this is exactly. May not yet be put together since this Merit Badge is so new. Bottom line, make sure to look for this area at netsmartz.org/scouting or ask a Scout Master or myself when it comes time to renew your CyberChip

Cyber Chips must be renewed yearly.
